

# KANDOO

"With a bespoke product design and manufacturing service, delivered with a wealth of experience and expertise."

Established in 90's, Kandoo Hong Kong & China provides you with a bespoke product design, manufacturing and delivery services, a complete chain by a wealth of experienced and expertise.

Our main core of business, specialise in the manufacture of randed products, primarily cut and sewn bags for promotional and retails -in any shape, materials and branding.

## SAMPLE WORKSHOP INSTANT/48HOURS SAMPLE

We are happy to either receive full bag specifications from a client or we are able to work from a loose brief based on budget, intended use and target market for the item.
